## General Installation Information for Your Operating System ☆

Aa

Before checking the hardware and software requirements, we recommend that you make yourself familiar with some general information about installation of SAP systems on your operating system platform.

### General Installation Information for Your Operating System

Operating System	Information
AIX	Before you start the installation, make sure that you have read SAP Note <a href="#">1972803</a> . In addition, we also recommend that you check the information available in the <i>SAP on AIX</i> space on the SAP Community Network at <a href="https://www.sap.com/community/topic/aix.html">https://www.sap.com/community/topic/aix.html</a> .
HP-UX	Before you start the installation, make sure that you have read SAP Note <a href="#">1075118</a> . In addition, we also recommend that you check the information available in the <i>SAP on HP-UX Best Practices</i> space on the SAP Community Network at <a href="https://www.sap.com/community/topic/hp-ux.html">https://www.sap.com/community/topic/hp-ux.html</a> .
Linux	Before you start the installation, make sure that you have read the SAP Notes for your Linux distribution listed in the central SAP Note <a href="#">2369910</a> . In addition, we also recommend that you check the information available in the <i>SAP on Linux</i> space on the SAP Community Network at <a href="https://www.sap.com/community/topic/linux.html">https://www.sap.com/community/topic/linux.html</a> .
Solaris	Before you start the installation, make sure that you have read SAP Note <a href="#">1669684</a> . In addition, we also recommend that you check the information available in the <i>SAP on Oracle Solaris</i> space on the SAP Community Network at <a href="https://www.sap.com/community/topic/oracle-solaris.html">https://www.sap.com/community/topic/oracle-solaris.html</a> .

10.2

In addition to the hardware and software requirements listed here, make sure that you also consult the hardware and software requirements provided by IBM at <http://www.ibm.com/support/docview.wss?uid=swg27038033>.
